

Guide For Giving and Commitment Form

This Guide for Giving shows one example of how we could reach the financial goal of our **Forward in Faith Rebuilding Campaign** over the next three years. Please study this guide carefully, then prayerfully reflect on what you can give as a faithful response to God's grace. All contributions to the rebuilding campaign are in addition to your annual stewardship giving that supports the ongoing ministries of Faith Lutheran. You are invited to respond by giving whatever loving gift you can in proportion to what God has given you.
